THE CORSA

SAFETY INNOVATIONS

GUARDIAN ANGEL ON BOARD.

1 Sees what you don't. **Opel Eye front camera**^{1,2} keeps a wary eye on you wherever you're heading. The ingenious camera behind the windscreen prevents you for example from unintentional drifting (**Lane Departure Warning** 1.1) and warns you if the distance to cars ahead is getting too short (**Forward Collision Alert** 1.2). **Side Blind Spot Alert**¹ (1.3) gives you visual warnings when other vehicles enter your blind spot.

2 Own the night. **Bi-Xenon headlamps**¹ with cornering lights offer better vision and visibility at night and in curves. **LED Daytime Running Lights**¹ improve visibility during daytime for a safer ride.

3 Smooth operators. The electronic stability program **ESP[®]Plus** (no image) keeps you firmly in control on slippery, slick or dirty roads. The Corsa's advanced **suspension** (no image) grants outstanding handling precision and reduces noise, vibration and harshness.

HIGH-TECH

FOR YOUR URBAN RIDE

EASY THROUGH THE CITY.

- 1** Having your eyes everywhere. The **Rear View Camera**^{1,2} makes it easy to avoid pedestrians, bumps and scratches when you back in and out of tight spaces.
- 2** Get smart with corners and in parking lots. **City Mode**³ takes the effort out of steering at the push of a button.
- 3** Let your car do the parking. **Advanced Park Assist**² spots suitable parking spots and helps you steering in hassle-free⁴.

For more clever features, go to www.opel.com

¹Available as an option at extra cost. ²Different systems and apps work with different devices. To check compatibility for your devices, go to www.opel.com ³The compatibility and certain functionalities may differ depending on the type of device and version of operating system. Android Auto™ is a trademark of Google.

INTELLILINK
INFOTAINMENT

SMART PHONE, SMART CAR – IT'S A MATCH.

The Corsa is one of the best-connected cars in its category. The **IntelliLink**¹ infotainment system is compatible with **Apple CarPlay**^{TM2} and **Android Auto**^{TM2} and lets you display³ key functions and features of your smartphone on the big in-dash touchscreen.

The 7" multitasker **R 4.0 IntelliLink** offers hands-free phoning and audio streaming via **Bluetooth**[®] and an **AM/FM radio** so that you can keep your eyes on the road. It also stores and personalises your favourite radio stations.

Choose **Navi 4.0 IntelliLink** to complete your infotainment system with an extra built-in satellite navigation.

YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

OnStar¹ is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, smartphone remote control² of your car and your own Personal Assistant. Welcome to the service upper class.

¹Available as an option at extra cost. Not available in all countries, for availability please check www.opel.com/onstar. OnStar services require activation and an account with OnStar Europe Ltd., a GM company. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.com/onstar for details of availability, coverage and charges. Terms and conditions apply. Opel is not responsible for the provision of OnStar services. ²Some elements of Smartphone App and Destination Download may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check www.opel.com/onstar for service limitations and charges.

CONNECTED

In a connected world, so much is possible – and OnStar¹ is making sure you are fully equipped.

- **Remote Control^{1,2}**: if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **myOpel Smartphone App**.
- **Car Locator^{1,2}**: forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlamps or honk the horn to see where you've parked.

SAFE

Better safe than sorry! OnStar¹'s specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response^{1,3}**: in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them your exact location.
- **24-Hour Emergency Call Service¹**: you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to call for help right away.
- **Roadside Assistance^{1,4}**: if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send **Roadside Assistance** to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹**: in case your car gets stolen, OnStar¹ blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking^{1,5}**: plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,2}**: no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Parking Service^{1,6}**: never search for a parking space again! Via Parkopedia.com, OnStar¹ finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

³OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁴OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁵An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required. ⁶Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar.

ACCESSORIES

ALL THE RIGHT STUFF.

Make it your Corsa and customise it to your needs. These must-have accessories are a great place to start.

For more Corsa accessories, go to www.opel.com

Pretty neat. Save time and space with the versatile FlexConnect¹ bracket system. Hang a tablet, place a drink or hold shopping and a jacket in place.

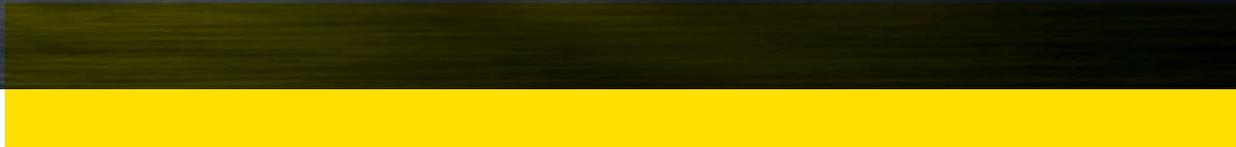

No paparazzi, please. Privacy shades help keep out the sun and anyone you don't want looking in.

Lean on me. For that extra executive-esque feeling, the optional armrest provides for more than just lounge-like comfort, but also acts as an easily accessible storage compartment.

¹Not compatible with OPC models and cars with Recaro sports seats with integrated headrests.

**THE CORSA OPC AND
OPC PERFORMANCE PACK**

EVEN MORE SENSATIONS.

Muscular and agile – the Corsa OPC brings Motorsport on the street. With intoxicating effect: the 1.6 Turbo engine generates 152 kW (207 hp) and easily punches through the mid-range: sports chassis, skirts, rocker mouldings and spoiler leave air no choice. Here is more:

- Silver five-spoke 17" alloy wheels
- Extra sharp brakes
- Remus dual exhaust
- Frequency Selective Damping (FSD)
- Bi-Xenon headlamps with LED DRL
- Recaro sports seats
- Flat-bottomed leather steering wheel
- Optional R 4.0 IntelliLink or Navi 4.0 IntelliLink
- Optional carbon mirrors and grille bar

The Corsa OPC is primed to raise pulses. Take yours to the max with the **OPC Performance Pack**. It adds 18" lightweight alloys, a mechanical limited slip differential and high-performance Brembo disc brakes tuned specifically for the racetrack. Excited already? ENGINES AND TRANSMISSIONS

HERE'S TO FREEDOM OF CHOICE.

The Corsa's broad range of engines doesn't compromise on performance. But don't take our word for it. Test-drive one and you'll see how smooth of a ride it actually is.

- Choose from a range of ultra-modern engines
- The 3-cylinder 1-litre turbo engines give you extra punch for less fuel
- Enjoy a silky-smooth 6-speed manual transmission
- Low fuel bills make the Corsa even more fun to drive
- Choose between petrol, diesel and LPG (gas)
- ECOTEC® is good for your carbon footprint and reasonable petrol bills¹
- The optional Start/Stop function cuts and re-starts the engine in stop-and-go traffic
- The optional sports chassis gives a firmer, even more responsive ride

All information was accurate and up to date at the time of going to print. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable), taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment and factory-fitted options may lead to slightly higher results than the stated consumption and CO₂ figures. The figures for fuel consumption and CO₂ emissions do not relate to a specific vehicle and are not part of an offer. They are provided only for the purpose of comparison between different vehicles but may differ from the actual fuel consumption achieved in real-world driving conditions which are greatly influenced by driving style and operating conditions. Additional equipment and factory-fitted options may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. Driving performance figures assume a 75 kg driver plus a 125 kg load.
