

MOKKA X

IT'S YOUR LIFE, GO DRIVE IT.

Open the door of the Mokka X and it's all there: Xtra safety, Xtra connectivity, the Xtra SUV feeling of sitting higher and seeing more. On the motorway, downtown or off-road, the Mokka X puts the groundbreaking innovations and options of a premium-class SUV in your hands.

F GG 9002

INNOVATIONS FROM THE LUXURY CLASS.

Under that rugged exterior the Mokka X offers an array of sophisticated technologies. Here are just some of the highlights:

1. **Adaptive Forward Lighting LED.** Your headlights adapt automatically to up to 9 driving situations, for optimal visibility. Page 13.
2. **Opel OnStar.** Your personal connectivity and service assistant on board. Pages 18–21.
3. **RLAD windscreen projection.** The Reflective LED Alert Display shows a warning light in your field of view if you approach vehicles too fast from behind. Page 15.
4. **4x4 intelligent All Wheel Drive.** Automatically maximises traction for better grip even in difficult driving conditions. Page 10.
5. **IntelliLink.** State-of-the-art infotainment and AM/FM radio seamlessly integrate your digital devices, for example, via Apple CarPlay™ or Android Auto™. Page 23.
6. **Ergonomically certified AGR seats¹.** Extendable thigh support and an adjustable lumbar area help you to relax without back pain. Page 28.

¹The ergonomic seats are certified by the German AGR (Campaign for Healthier Backs), a centre of excellence for ergonomics. For availability, please see page 28.

Apple CarPlay™ and Android Auto™ may not be available in all countries and may depend on your OS version. Please visit www.apple.com or www.android.com. Apple CarPlay and Apple are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc.

Some features described in this brochure may be optional and not available for certain Trim Levels.

PREMIUM BY DESIGN.

The Mokka X brings premium design to the street-smart SUV category. The compact frame and bold, muscular lines turn heads in the city. The extra ground clearance and big alloys are further proof of genuine off-road ability.

1. **Xtra all-round.** Objects of desire are marked with an X.
2. **Ready for action.** Sporty roof rails enhance the off-road design.
3. **Let the outdoors in.** The big optional glass sunroof¹ adds to the great sense of space inside.

¹Not available for Selection.

TRUE CLASS COMES FROM WITHIN.

The premium-crafted interior of the Mokka X offers the refined feel and innovative options of a best-in-category SUV. What's more, the added ground clearance means you sit high up – looking out over most regular cars.

- Multiple storage options take care of your gear
- Soft-textured panels¹ add to the quality craftsmanship
- The high seating position gives you a better view of the road

1. **All clear.** The clean layout of the centre stack and optional 8" display make it easy to find key controls at a glance.
2. **Colour data display.** True to the Mokka X, information in the driver cluster shows up loud and clear.
3. **Crafted with care.** Dashboard stitching¹ typifies the quality of the smallest details.

¹Standard on Innovation and Ultimate. Not available for Selection, Enjoy and Excite.

4X4 = MORE FUN PER WHEEL.

When the going gets tough, the Mokka X gets a grip. In challenging conditions, optional 4x4 intelligent All Wheel Drive technology (AWD)¹ gives you added traction, stability and control.

- AWD sensors monitor key factors such as wheel speed
- If necessary, AWD switches from front-wheel drive to 4x4
- The driving force is distributed to the front and rear wheels
- Ideal on black ice in town, muddy ground off-road or snow

1. **Hill Start Assist (HSA).** When you start or park on steep hills, HSA automatically holds the brakes for a moment. There's no risk of rolling the wrong way.
2. **Hill Descent Control (HDC)**². HDC controls downhill speed so you don't need to worry about braking, even on steep slopes.

X hits the spot. The Mokka X has what it takes to scratch that off-road itch.

¹Not available for Selection.

²HDC standard with AWD. Not available for Selection.

AFL LED. PUT OTHER LIGHTS IN THE SHADE.

The Mokka X is the first SUV in its category to offer full LED Adaptive Forward Lighting (AFL)¹, an option previously available only in expensive SUVs. LED beams let you see hazards sooner, so you have more time to react.

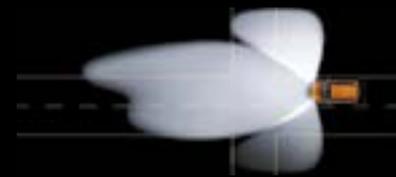

- 6 LED elements light the road 30% brighter than halogen
- AFL automatically adapts to factors like speed and steering-wheel angle
- The system then selects the most suitable lighting (below)

Stop Mode Light (eco). Switches off the cornering lights to save energy (when Start/Stop mode is on).

Back-up/Manoeuvring Light (in reverse gear). Activates additional front cornering lights on both sides so it's easier to get in and out of parking spots.

Static Cornering Light (up to 40 km/h). If you indicate and turn the steering wheel above a certain angle, an LED light comes on so you can see better what's around the corner.

Dynamic Curve Light (40 to 70 km/h). Above a set steering angle and speed, extra light on the relevant side gives you a better view.

Country Light (above 55 km/h). A longer, broader, dazzle-free low beam that helps highlight roadside hazards such as deer.

Town Light (below 55 km/h). A wider spread of light shows more of the roadside to help highlight pedestrians or potential hazards.

High Beam Assist. Full-on lighting for maximum visibility. HBA automatically dips your headlights when it detects other vehicles.

Tourist Mode. Driving abroad on the other side of the road? Don't worry – your lights automatically adapt.

¹Not available for Selection.

F GG 9002

GTC

SEES WHAT YOU ARE MISSING.

Opel Eye¹ uses camera-based innovations like Lane Departure Warning and Traffic Sign Recognition to help prevent collisions and increase safety. Thanks to groundbreaking autonomous safety technology, it's an extremely sophisticated assistance system we offer in the Mokka X.

¹ Not available for Selection. Opel Eye can be turned off and on by the driver.

² Part of the optional Opel Eye safety system.

³ Optional on Innovation, Enjoy and Excite. Requires R 4.0 IntelliLink or Navi 900 IntelliLink system.

1. **Traffic Sign Recognition**². Detects and displays speed limits and other traffic signs you might miss.
2. **Forward Collision Alert (FCA) with Reflective LED Alert Display (RLAD)**². If you approach other vehicles too fast from behind, FCA triggers an alarm and displays a red warning light in your field of view.
3. **Rear View Camera**³. Reverse safely without straining to look over your shoulder.

EFFICIENCY WHERE IT COUNTS.

Power feels great when it's combined with control, which is why Opel engineered intelligent 4x4 All Wheel Drive technology¹ (AWD) and fuel-efficient powertrains for the Mokka X. How do we know that works? The grin when people come back from their first test drive.

- Experience riveting driving, on- or off-road
- Listen out for the benchmark in low-noise diesel technology
- The lightweight chassis makes the Mokka X more agile
- ECOTEC[®] technology helps reduce emissions and fuel costs

¹Optional on Enjoy, Excite, Innovation and Ultimate with selected engines only. Not available for Selection.

1. **The top-of-the-range engine.** Power and poise, with 4x4 AWD, a 6-speed automatic, Start/Stop and 112 kW (152 hp).
2. **Prepare for take-off.** Ideal for long-distance drivers, smooth petrol turbos combine economy with superb response.
3. **You can cut it.** Start/Stop helps to cut emissions when the car is stationary and is available with specific engines.
4. **A welcome change.** The convenient 6-speed automatic or a hands-on manual with 5 or 6 speeds? It's all good!

1.

2.

3.

4.

Fuel consumption for the 112 kW (152 hp) 1.4 Turbo ECOTEC[®] AWD in l/100 km: urban 7.9–7.8, extra-urban 5.7–5.6, combined 6.5–6.4; CO₂ emission in g/km: combined 150–148. According to R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

Opel OnStar¹ is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, your own Personal Assistant and in the future a fast in-car Wi-Fi Hotspot². Welcome to the service upper class.

¹OnStar services require activation and account with OnStar Europe Ltd. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.com/onstar for details of availability, coverage and charges. Terms and conditions apply.

²Once available, Wi-Fi Hotspot services will require account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial will have a time limit and capped data allowance. Charges will apply thereafter. All services subject to mobile network coverage and availability.

³An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required.

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking^{1,3}**: plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,4}**: no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Parking Service^{1,5}**: never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

SAFE

Better safe than sorry! OnStar's specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response¹**: in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them to your exact location.
- **24-Hour Emergency Call Service¹**: you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to send help right away.
- **Roadside Assistance^{1,6}**: if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send **Roadside Assistance** to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹**: in case your car gets stolen, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

CONNECTED

In a connected world, so much is possible – and Opel is making sure you are fully equipped.

- **Wi-Fi Hotspot^{1,2}**: in the future, a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,4}**: if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **myOpel Smartphone App**.
- **Car Locator^{1,4}**: forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlamps or honk the horn to see where you've parked.

⁴Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check www.opel.com/onstar for service limitations and charges.

⁵Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar.

⁶OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided.

HOW CAN I GET ONSTAR?

OnStar is standard on Enjoy, Excite, Innovation and Ultimate, not available for Selection.

To get it:

1. Request OnStar when you order your new Opel Mokka X.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration online and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period¹, you can decide to order a continuation of the OnStar Services. This will be subject to a fee.

To find out more, visit www.opel.com/onstar

Your privacy, your call. You are in control of which information you want to share with us. Only in emergency cases, OnStar can override this. More information on www.opel.com/onstar

HOW MYOPEL SERVICES DO MORE FOR YOU.

myOpel is your one-stop shop to manage everything to do with your Opel – from your OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service and track service history.
- Access your OnStar Services – get diagnostics reports, manage your subscription and more.
- Exclusive offers – stay up to date on special offers, latest news and current events.
- Dealer locator – find your nearest Opel retailer.

If you are already an Opel OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. Access myOpel anytime anywhere!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from iTunes.

Illustration exemplary.

¹Free trial periods start with first registration or delivery from the Opel dealer, whatever comes first, independent of customer activation.

INTELLILINK. NETWORKING THAT WORKS.

androidauto

The Mokka X is one of the best-connected SUVs in the category, so you can make full use of your digital devices anytime, anywhere. OnStar¹ provides you with a personal on-board assistant. What's more, IntelliLink compatibility with Android AutoTM by Google or Apple CarPlayTM means every IntelliLink² infotainment system can display key features from your smartphone³ on a big touch screen in the dash.

Find out what else IntelliLink can do at www.opel.com

- 1a. **The Navi 900 IntelliLink².** This top-notch system is fully compatible with Apple CarPlayTM and Android AutoTM by Google, giving you easy access to smartphone features on its 8" colour display. Enjoy Maps, TuneIn or AM/FM radio via the touch screen or voice control.
- 1b. **The top-of-the-range sat nav.** The 8" Navi 900 IntelliLink² is a fully-fledged navigation system with bird's eye view. Enter the destination via one-shot voice command or select it from your favourites.
- 2. **The 7" multitasker.** The R 4.0 IntelliLink² offers hands-free phoning and audio streaming via Bluetooth[®] and an AM/FM radio. It is also compatible with Apple CarPlayTM and Android AutoTM by Google, plus you can store and personalise your favourite radio stations.

¹For details of Opel OnStar, please see pages 18 to 21. ²Navi 900 IntelliLink optional on Enjoy, Excite and Innovation. Standard on Ultimate, not available for Selection. R 4.0 IntelliLink standard on Innovation, optional on Enjoy and Excite. Not available for Selection. ³Compatibility and certain functionalities may differ depending on type of device and version of operating system. To check the compatibility of your device go to www.apple.com or www.android.com or contact your dealer. Apple CarPlayTM and Android AutoTM may not be available in all countries and may depend on your OS version. Please visit www.apple.com or www.android.com

PACKED WITH IDEAS.

When travelling light is not an option, the versatile Mokka X offers intelligent seating and additional storage ideas – to make sure your packing still packs a punch.

For the full range of storage options, visit www.opel.com

1. **Stuffed with good stuff.** The 60/40 split rear seats flip and fold to expand your boot space for a total volume of up to 1,300 litres¹.
2. **The optional FlexFix[®] bike carrier.** Carry your bikes on the back, free up the roof, and still have plenty of space in the boot. Fully integrated in the rear bumper, FlexFix[®] slides in and out so you can easily mount up to two bikes behind the tailgate and take them on your trip. To open the boot, just tilt the whole rack out of the way. FlexFix[®] is completely hidden in the bumper when it's not in use. With the separate FlexFix[®] extension, you can even add a third bike.

¹Maximum volume behind first row of seats, without tyre repair kit and FlexFix[®] integrated bike carrier.

MUST-HAVES FOR MULTITASKERS.

The sporty Mokka X is ideal for people with a whole range of interests. From a back-seat series binge to outdoor team sports, these must-have accessories meet all sorts of needs.

For more Mokka X accessories, go to www.opel-accessories.com

1. **The ski and snowboard carrier¹.** The safe way to carry four snowboards. Or up to six pairs of skis.
2. **Rotating FlexConnect iPad/iPad mini holders¹.** Mount these high up for a movie and lower for reading and typing.
3. **The OPC roof spoiler¹.** Sleek and aerodynamic, this spectacular addition cranks up the downforce and tightens your grip.
4. **FlexConnect coat hanger¹.** Keep your jacket crease-free and drive from a weekend in the wilderness straight into work.
5. **Anti-slip side steps¹.** Stand on these to get things on or off the roof. Looks-wise, they add muscle and kids like to use them to get in and out.

¹Optional.

FACTS AND FIGURES.

With their agility and thrifty habits, Opel's new German-engineered powertrains make the Mokka X an excellent outdoor companion.

- Choose from a wide range of diesel and petrol engines, three with All Wheel Drive
- Five or six gears, automatic or manual – Mokka X transmissions are precise and responsive
- Choose the 112-kW (152-hp) unit with 4x4 AWD for the definitive Mokka X drive
- To minimise fuel costs and your carbon footprint, look for the ECOTEC® badge
- The new 1.6 ECOTEC® Diesel engine with Start/Stop is extra economical

All information was accurate and up to date at the time of going to print. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable), taking into consideration the vehicle weight in running order, as specified by the regulations. Additional equipment and factory-fitted options may lead to slightly higher results than the stated consumption and CO₂ figures. The figures for fuel consumption and CO₂ emissions do not relate to a specific vehicle and are not part of an offer. They are provided only for the purpose of comparison between different vehicles but may differ from the actual fuel consumption achieved in real-world driving conditions which are greatly influenced by driving style and operating conditions. Additional equipment and factory-fitted options may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. Driving performance figures assume a 75 kg driver plus a 125 kg load.

Need more stats? Go to www.opel.com

FIVE REASONS TO BUY.

If you like the look of the Mokka X, you'll love your test drive. Here's why:

1. It's a stylish, dynamic, full-on SUV packed with luxury-class innovations
2. You get the true 4x4 All Wheel Drive experience, on- or off-road
3. Innovative driver assistants and intelligent AFL LED headlights increase safety
4. You ride high on our premium-crafted and ergonomically certified AGR¹ seats
5. The slick connectivity of sophisticated systems like Apple CarPlay™ and Opel OnStar²

Test-drive the Mokka X and you'll appreciate its many qualities all the more. Turn heads downtown, try it off-road, and savour the fine feeling of riding high above other cars.

Go to www.opel.com and test a proper SUV.

¹For details of the certified AGR seats, please see pages 28.

²For details of Opel OnStar, please see pages 18–21. OnStar is not available in all countries. Regarding OnStar availability in your country please visit www.opel.com/onstar and consult your local Opel retailer.

Apple CarPlay™ and Android Auto™ may not be available in all countries and may depend on your OS version. Please visit www.apple.com or www.android.com. Apple CarPlay and Apple are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc.

Some feature descriptions in this brochure may refer to, and some illustrations may show, optional equipment not included in standard delivery. The information contained in this brochure was accurate at the time of going to print. We reserve the right to make changes in design and equipment. The colours printed in the brochure only approximate actual colours. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary outside the Federal Republic of Germany. Recycling: information on Design for Environment, our take-back network and the recycling of End of Life Vehicles can be found on www.opel.com. For precise information on the equipment provided on our vehicles, please contact your local Opel partner.
